Importance: High

FYI: There were two FOIA requests submitted by Maria Payans on 10/21/2013--- 1. FOIA 2013-10-21-01 she requested info on the N. Shipley Street address from Oct 2010 to present; 2. FOIA 2013-10-21-02 she requested info from Oct 2010 to present. These requests came in within minutes of each other. I will separately forward both to you. Hopefully, by including you as a cc on all future SWDS requests we can alleviate this type of confusion. Additionally, I agree completely that she needs to be more specific in her requests.

Yes, it is past due – unfortunately, I just received the 10/21/13 Allen Harim FOIA yesterday, so I am working on it. I'm confused as to the answer to my question and I want to be sure I understand correctly so we can respond appropriately – you only want information per the Allen Harim FOIA (located on Route 5/Harbeson Road in Harbeson), but you don't need any information per the 126 North Shipley Street in Seaford FOIA? Please explain in detail. Thank you.

Molly,

The original FOIA is for the Harbeson /Allen Family Foods-and/or Allen Harim at this location-which was on the original FOIA request, which is past due, according to FOIA response times

Regarding your request for any and all information from Oct 2010 to the present for 126 North Shipley Street, Seaford, DE 19973 – we typically file by owner name, project name or tax parcel number, so if you could provide that corresponding information, we will be able to search our files and database. Please let me know if you have any questions.
